

New tier -post lockdown information (as of 26th Nov 2020)

If you are in/from a Tier 1 area

Key points

- Rule of 6 applies here (do not need to be from one household indoors or outdoors)
- Indoor dance classes and outdoor dance classes can go on (rule of six applies and covid secure)
- Indoor and outdoor live performances (rule of six applies and covid secure)
- If you attend something that is located in a higher tier you must abide by the rules of that higher tier
 - you must not socialise in groups larger than 6 people, indoors or outdoors, other than where a legal exemption applies. This is called the 'rule of 6'
 - businesses and venues can remain open, in a [COVID secure](#) manner, other than those which remain closed by law, such as nightclubs
 - hospitality businesses selling food or drink for consumption on their premises are required to:
 - provide table service only, for premises that serve alcohol
 - close between 11pm and 5am (hospitality venues in airports, ports, on transport services and in motorway service areas are exempt)
 - stop taking orders after 10pm
 - hospitality businesses and venues selling food and drink for consumption off the premises can continue to do so after 10pm as long as this is through delivery service, click-and-collect or drive-through
 - early closure (11pm) applies to casinos, cinemas, theatres, concert halls, museums, bowling alleys, amusement arcades, funfairs, theme parks, adventure parks and activities and bingo halls. Cinemas, theatres and concert halls can stay open beyond 11pm in order to conclude performances that start before 10pm
 - public attendance at outdoor and indoor events (performances and shows) is permitted, limited to whichever is lower: 50% capacity, or either 4,000 people outdoors or 1,000 people indoors
 - public attendance at spectator sport and business events can resume inside and outside, subject to social contact rules and limited to whichever is lower: 50% capacity, or either 4,000 people outdoors or 1,000 people indoors
 - places of worship remain open, but you must not attend or socialise in groups of more than 6 people while there, unless a legal exemption applies
 - weddings and funerals can go ahead with restrictions on numbers of attendees – 15 people can attend wedding ceremonies and receptions, 30 people can attend funeral ceremonies, and 15 people can attend linked commemorative events
 - organised outdoor sport, physical activity and exercise classes can continue

- organised indoor sport, physical activity and exercise classes can continue to take place, if the rule of 6 is followed. There are exceptions for indoor disability sport, sport for educational purposes, and supervised sport and physical activity for under-18s, which can take place with larger groups mixing
- if you live in a tier 1 area and travel to an area in a higher tier you should follow the rules for that area while you are there. Avoid travel to or overnight stays in tier 3 areas other than where necessary, such as for work, education, youth services, to receive medical treatment, or because of caring responsibilities. You can travel through a tier 3 area as part of a longer journey

If you are in/from a Tier 2 Area

Key points

-The big difference is 'rule of six' no longer applies indoors in this tier so you can ONLY mix with your household/bubble now.

-You can run indoor dance classes as long as people in your classes from **different households do not mix** – so no congregating in areas/ queuing/ all should have their own separate area and socially distanced-no direct physical contact with others. Only those from the same household/bubble can sit together.

- You can run a socially distanced dance class outdoors and people can arrive in groups of max 6 (rule of six applies outdoors only)

- Indoor live performances can happen **BUT only those in same household/bubble can sit together and you cannot mix outside of this group.**

- You can travel and attend things in Tier 1 but you must abide by Tier 2 restrictions whilst you are there – so no mixing with anyone outside of your household.

- Hotels are open but **you are only able to stay together in a room if you are part of the same household/bubble.**

- you must not socialise with anyone you do not live with or who is not in your support bubble in any indoor setting, whether at home or in a public place
- you must not socialise in a group of more than 6 people outside, including in a garden or a public space – this is called the 'rule of 6'
- businesses and venues can continue to operate, in a [COVID-Secure](#) manner, other than those which remain closed by law, such as nightclubs
- pubs and bars must close, unless operating as restaurants. Hospitality venues can only serve alcohol with substantial meals
- hospitality businesses selling food or drink for consumption on their premises are required to:
 - provide table service only, in premises which sell alcohol
 - close between 11pm and 5am (hospitality venues in airports, ports, transport services and motorway service areas are exempt)
 - stop taking orders after 10pm
- hospitality businesses and venues selling food and drink for consumption off the premises can continue to do so after 10pm as long as this is through delivery service, click-and-collect or drive-through
- early closure (11pm) applies to casinos, cinemas, theatres, museums, bowling alleys, amusement arcades, funfairs, theme parks, adventure parks and activities, and bingo halls. Cinemas, theatres and concert halls can stay open beyond 11pm in order to conclude performances that start before 10pm
- public attendance at outdoor and indoor events (performances and shows) is permitted, limited to whichever is lower: 50% capacity, or either 2,000 people outdoors or 1,000 people indoors

- public attendance at spectator sport and business events can resume inside and outside, subject to [social contact rules](#) and limited to whichever is lower: 50% capacity, or either 2,000 people outdoors or 1,000 people indoors
- places of worship remain open but you must not socialise with people from outside of your household or support bubble while you are indoors there, unless a legal exemption applies
- weddings and funerals can go ahead with restrictions on numbers of attendees – 15 people can attend wedding ceremonies and receptions, 30 people can attend funeral ceremonies, and 15 people can attend linked commemorative events such as wakes or stonesettings.
- organised outdoor sport, and physical activity and exercise classes can continue
- organised indoor sport, physical activity and exercise classes will only be permitted if it is possible for people to avoid mixing with people they do not live with (or share a support bubble with). There are exceptions for indoor disability sport, sport for educational purposes and supervised sport and physical activity for under-18s, which can take place with larger groups mixing
- you can continue to travel to venues or amenities which are open, but should aim to reduce the number of journeys you make where possible
- if you live in a tier 2 area, you must continue to follow tier 2 rules when you travel to a tier 1 area. Avoid travel to or overnight stays in tier 3 areas other than where necessary, such as for work, education, youth services, to receive medical treatment, or because of caring responsibilities. You can travel through a tier 3 area as a part of a longer journey
